Frank Thomas

FOREWORD

We, the Annual Staff, are proud to present to you our 1957 GALVESTONIAN. This book has caught glimpses here and there, so that in years to come the activities of this school year at Galveston High will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '57, we shall be content, knowing that we have done the thing we were called upon to do.

DEDICATION

To our friends and sponsors, Mrs. Beulah Goldsberry and Mr. John Byron Riggs, who have understood our problems, and listened to our complaints, encouraged us when we were disheartened and enhanced our chance for success.

Their services to our school and to the students has won for them our sincere admiration.

In his services as school photographer, teacher, leader of the Future Farmers of America and 4-H Leader, Mr. John B. Riggs has helped guide the students along the right path of education.

Mrs. Beulah Goldsberry, teacher, Future Teachers of America sponsor, and class sponsor has also helped us. We wish to thank her for her help of putting on our activities and for guiding us through our high school days.

Their services will long be remembered and appreciated by all.

And so it is with great pleasure that we, of the SENIOR CLASS of 1957, dedicate this annual to John B. Riggs and to Beulah Goldsberry.

*"To make a path or find one"
Is what you helped us do,
We'd like to show our appreciation
And dedicate this book to you.*

*For all your help and guidance
All along the way,
We hope that you will give the same
To those who'll follow us one day.*

There were a few romantic interludes while Rosie McClain sat on Jerry Greer's lap and sang Bus Stop.

CLASSES

You're typical teens . . . making fun out of work . . . carrying books home . . . never opening them . . . well, you study some . . . anyway you make the grade but you're satisfied because you are a teenager. Yes, you're typical high school students . . . you go out for sports . . . like music . . . you snack . . . drink cokes . . . once in a while you eat a real meal . . . finally you make it to the extra activities . . . but this is the SPIRIT OF SCHOOL LIFE.

CLASS HISTORY

Once more we shall follow the course of the Good Ship, *Education*, which has been in dry dock since 1949.

The gang plank was lowered at pier 9, August 20, 1953, and 25 passengers boarded ship and registered in the log book.

Captain of the vessel was J. Vernon Zeig. Mrs. Beulah Goldsberry served as ship navigator and 1st and 2nd mates were Jim Couk and Ron Lynas, with Ronnie Hosier serving as Treasurer and Donnie Hosier serving as Secretary. Franjean Gordon kept the ships diary.

Special happenings on our maiden voyage were the Halloween Carnival and Sweetheart Ball with Vickie Carden representing our ship at both events. All of the girls were welcomed into the Sunshine Society.

During the voyage we lost four of our fellow passengers. Norma Rush dropped off at Washington Twp. and Betty Atkinson at Bunker Hill. Ronnie Jarvis went to the port of Tipton Twp. and Albert Dempsey walked the plank.

Having completed our maiden voyage we steamed into port for a much needed rest.

The gang plank was lowered at pier 10 on August 26, 1954, in preparation of another voyage.

Dean Gish boarded ship to join in on this trip. Donnie Hosier did not board ship.

J. Vernon Zeig still served as Captain and Beulah Goldsberry, with an assistant in the pilot house, Virgil Hershberger, served as navigators. Members of the crew were Phyllis Day, President; Ron Lynas, Vice President; Charlotte Merrell, Secretary; Franjean Gordon, Treasurer; and Lillie Mae Armstrong taking charge of recording the happenings.

We again had the Halloween Carnival and Sweetheart Ball with Lillie Mae Armstrong representing our ship.

We also initiated the green freshman, just starting out on their journey.

Ronnie Hosier and Dean Gish departed from our company during the voyage.

As we steamed into pier 10, we had 21 passengers disembarking for a three months summer vacation.

On August 25, 1955, as the 22 passengers boarded ship (Nancy Butcher joining us, coming from Kokomo) we were greeted by a new Captain, Raymond J. Trobaugh. Navigators were Mrs. Beulah Goldsberry and Mrs. Arthur Pullen. Crew members were Ronnie Lynas, President; Franjean Gordon, Vice President; Phyllis Day, Secretary; Nancy Butcher, Treasurer; and Lillie Mae Armstrong and Jim Couk as business managers. Sharon Rose recorded our special events.

During the course of the voyage Sharon Rose fell overboard and was rescued from the briny deep by the Good Ship, Matrimony.

Nancy Butcher was elected Queen of the Halloween Carnival and Franjean Gordon served in the Queens court for the Sweetheart Ball. Then in the ships theater a special play took place, "Dotty and Daffy".

We entered port and steamed up to pier 11. We were all looking forward to that last vacation, before our final year as SENIORS.

HISTORY OF SENIOR YEAR

Off again into the wild blue yonder for our final voyage.

Captain Trobaugh called the members of the crew together and we elected Jim Couk as president, Rita Hobson as vice president, Franjean Gordon as secretary, Nancy Butcher as treasurer, and Charlotte Merrell and Ron Lynas as our business managers. The navigators were John Riggs and Mrs. Goldsberry.

To help us on our way we sold magazine subscriptions and sponsored several activities which included our senior class play, "Feudin Over Yonder"

As we sailed along our merry way, our passengers got together and published the 1957 Galvestonian. Then a smaller group joined in to write articles for a paper, the "Cardinal Corner".

As we pulled into the port at Galveston the following passengers got off to go on their own.

As typical teens . . . we have made fun out of our work . . . carrying books home . . . never opening them . . . well, we studied some . . . anyway we made the grade but we are satisfied because we are teenagers . . . this is our idea of the SPIRIT OF LEARNING.

As freshmen, in senior high it was quite a thrill. A zest for work and fun characterized us as freshmen.

As sophomores it was two down and two to go as we tried to narrow our goal. One of our sophomore highlights was receiving our class rings which was quite a thrill.

Our junior highlights included long rehearsals climaxed in "Dotty and Daffy," and undisclosed plans produced Junior and Senior Reception.

As seniors now we have presented our story of stag parties, dances, games, steadies, plays, and never-to-be-forgotten friendships.

We spent our last year in the best way possible. Our first dance and then finally graduation.

It is Monday, May 20, 1982, and our space ship is preparing to leave for a visit to outer space.

Already on board is Franjean Gordon Oldham, who is the Jackson Township Home Ec teacher. Ron Lynas the famous test pilot for space ships is looking at television.

Coming through the door is the famous scientist, Professor Bevington, who discovered the type of air used on Mars.

Mr. Larry Scott, owner of a 2000 acre farm and president of the Co-op is talking with Jim Couk. Jim is the owner of the new Sinclair Service Station with built-in-bar. (Serves only Coke and 7-Up.)

Up front, gabbing away earnestly, is Phil Day and Rita Hodson Riley. Phil is telling Rita of her experiences as English teacher at the new Galveston High School. Rita is also trying to tell her experiences of being voted the Model Mother of America.

Lillie Mae Armstrong, our college play girl, who was roaming the campus of Notre Dame finally decided to join us. Sitting with her is Rodger Hollingsworth, warden of Sing-Sing, who finally broke away from his chess game with the prisoners to join us. Next to him taking notes is Vickie Carden, his secretary.

Back in the sleeping room napping is Bert Lacey, coach of the Cardinals, who have won the state for the last 10 years. Out in the kitchen fixing dinner is Martha Hunt, part owner of the Hunt-Sallee Space Dress Shop. Stan Sallee has just arrived from a visit with the President of the U.S.

Sharon Berkshire who has left her little family of 25 children is coming up the ramp.

Our entertainers, the famous dancer Twinkle Toes, alias Charlotte Merrell Lytle, and singer Golden Goldthroat, alias Mary VerBryck Longfellow, are getting ready to entertain us.

Rose Greer our famous Novelist is at the desk working on her latest book, the Biography of Beulah Goldsberry and John Riggs.

We are ready to leave but are waiting on our Pilot and Co-Pilot. First to arrive is Charles Bowman, our Pilot, who in his spare time farms his plantation of 3000 acres. Our Co-Pilot Jerry Robertson, owner of the Golden Slipper, a famous night club, is also here.

As they start the engines for our takeoff we remember our happy days as students at Galveston High School.

Stewardess

Nancy Butcher Scott, Dean of Riley Hospital.
